Dear Mrs. Kinum:

I am writing to express my deepest appreciation for your time and support of the Richmond Police Athletic League. Our police officers, counselors, and volunteers were extremely impressed by the hands-on and personable support provided by the InSource Solutions team. During the manufacturing camp, our students were able to engage in various facets of entrepreneurship to support them in their endeavors in becoming future business owners. We truly believe that this invaluable experience is critical in helping to shape the destinies of our youth.

On behalf of all of the Richmond PAL children, their families and our staff, we would like to convey our most heartfelt gratitude for your commitment to our youth. We would also like to acknowledge the work of your leadership team, Aaron Evans, Ann Croom, and Dunn Dilliard, who so graciously supported this invaluable opportunity for our Richmond PAL camp attendees. Your generosity, kindness, and care for the Richmond community, and more specifically our PAL community, have truly been a blessing to all stakeholders involved. Because of your efforts, our campers had an opportunity to gain exposure to new activities and to discover the possibilities of what they can become.

Richmond PAL serves each day under the wisdom found in an old African proverb which states, "If you want to go fast, go alone. If you want to go far, go together." We believe that we are going farther with our children and our community because of dedicated people like you. Thank you!

Best regards,

Sergeant Kenneth J. Peterson, Jr.
