

## Future Positions

Since 1997, InSource Solutions has made manufacturers more productive and profitable.

InSource is a North American based leader in simplifying success for industrial environments. We revitalize manufacturing with digitization solutions and services that align industrial operations with business outcomes. We provide solutions and services that help our clients compete globally, and we do it because we are passionate about manufacturing.

InSource seeks people who are passionate about their work. We are 100% employee owned and take immense pride in what we work to achieve—Revitalizing Manufacturing in America. We hire individuals who are dedicated to hard work, client success, and having fun.

Positions we **MAY** hire for in the future:

- **Account Executive:** Develop and grow accounts by generating sales strategies and solution sales; business-oriented, problem solver with strong manufacturing sales experience who is able to prescribe engineered solutions combining software, hardware, services and consulting through a team-based, collaborative sales approach.
- **Technical Support Engineer:** Troubleshoot and develop technical solutions related to software and setup errors; troubleshooting/testing in Windows Desktop operating systems and Windows Server operating systems; software application support, working with .NET and/or relational databases (MS-SQL Server). Familiarity with HMI/SCADA is a plus. Conduct internal or external technical training programs for clients or System Integrators.
- **Technical Solutions Architect:** Develop software solutions for clients leveraging AVEVA products; prepare technical specification and delivery documents; participate in discovery and assessment site visits and generate documentation as required. Develop and provide technical leadership to implement solutions by configuring product applications and customizing them to project needs

These positions typically required a bachelor's degree in Engineering, Computer Science, or equivalent experience.

Qualified candidates are welcome to apply online for future positions. Please send your resumes to [hr@insourcess.com](mailto:hr@insourcess.com) along with a "What Motivates Me" statement, and any pertinent information you feel necessary to support your application.

InSource is an equal opportunity employer of protected veterans and individuals with disabilities.
