Why attend?

Join us April 7–10, 2025 in San Francisco to discover how hundreds of companies are leveraging the power of radical collaboration to transform, innovate, and grow.

AVEVA World, the premier industrial intelligence event of 2025, will feature diverse talks showcasing real-world applications of emerging technologies like artificial intelligence, advanced analytics, and digital twins. These sessions will demonstrate how companies are using technology to break down silos, optimize performance, engineer smarter, and drive sustainability.

Transform	Innovate	Grow
<ul style="list-style-type: none"> Hear from keynote speakers shaping the future. Engage in panel discussions with industry experts. Learn from nearly 200 customer success stories highlighting real-world achievements. 	<ul style="list-style-type: none"> Experience live product demos and presentations by AVEVA experts. Visit product booths and network with AVEVA product managers and partners. Attend the Innovation Zone Theatre for in-depth technical sessions on AVEVA products and partner solutions. 	<ul style="list-style-type: none"> Use the AVEVA World app for networking and finding new contacts. Connect with AVEVA executives and product leaders among the 3,000 attendees. Expand your network at the Innovation Zone happy hour and our exciting evening concert.
